

Notes from The Square Office

From: Mike Greiling, President

Happy New Year to All:

I hope all the residents of Fairview Village had a great Holiday Season and all of you survived the unbelievable white Christmas and the days leading up to and past it. I personally witnessed acts of neighbor helping neighbor, giant snowmen, buried Christmas displays, aching backs and countless acts of goodwill! The community spirit of our village was everywhere to be seen. It was awesome - high five to all!!!

Our Fairview Village H.O.A. Annual Meeting is coming up in March. That means there will be Board meetings in February and March leading up to the Annual meeting. The number one priority of the Board at this time is to establish the annual budget. Input from the members of our H.O.A. (you) is being sought at this time. Is there an item you have wanted to know about? Do you have a suggestion? It's about the \$\$\$\$ right now and how it gets spent. Come to the next Board Meeting (Tuesday, February 10, 2009 at 6:30p.m. in the Heslin Conference Room, 1st Floor at Fairview City Hall) and let us know what you are thinking.

Hope to see you at the meeting.

MARK YOUR CALENDARS: F.V.H.O.A ANNUAL MEETING will be on Monday, March 16, 2009, 6:00p.m. at the Fairview Community Center, 300 Harrison Street, Fairview, OR - Upper Level

Fall Tree Planting

On Saturday, October 4th, a work party spent the morning planting five (5) trees outside the wall along 223rd north of the Park Lane light. We had fun working together to get them planted. A special thanks to Chris Jones, Chris Birch, Sharon Beyl, Kim, Kaloeb and Maya Thompson, David May, Denise Lange, Leslie Vogue-Hays, Mike Greiling and Pat Alfonso for volunteering your morning. Pictures have been posted on the website.
